

NileCare Group Health Policy

Policy No. NC-GH-2026-0417 | Terms & Conditions | Effective 01 January 2026

1. Scope of Cover

This policy provides medical cover to the insured member and enrolled dependents for treatment received at facilities within the NileCare provider network. The maximum annual coverage ceiling is **EGP 500,000** per member per policy year. Cover operates on a cashless basis at in-network hospitals and on a reimbursement basis elsewhere, subject to the limits set out in Section 4.

2. Waiting Periods

A general waiting period of **30 days** applies from the enrolment date, during which only accidental emergencies are covered. Pre-existing conditions are subject to a waiting period of **12 months**. Maternity benefits become available after a continuous waiting period of **10 months**. No waiting period applies to accidental injury.

3. Co-payment and Deductibles

Inpatient treatment at in-network hospitals carries **no co-payment**. Outpatient consultations and diagnostics are subject to a **10% co-payment** payable by the member at the point of service. Dental treatment carries a **20% co-payment**. Where a member elects a room category higher than the entitled private room, the difference in cost and the resulting proportional increase in associated charges are borne by the member.

4. Benefit Limits

Benefit	Annual Limit (EGP)	Co-pay	Notes
Inpatient / Hospitalization	500,000	0%	Private room entitlement
Outpatient (consult + diagnostics)	30,000	10%	Referral not required
Prescription drugs	20,000	10%	In-network pharmacies
Maternity (normal delivery)	25,000	0%	After 10-month wait
Maternity (C-section)	40,000	0%	After 10-month wait
Dental	3,000	20%	Excludes cosmetic
Optical	1,500	0%	Once every 2 years

5. Claims and Reimbursement

For treatment received outside the network, claims must be submitted within **60 days** of the date of service, accompanied by original invoices and the treating physician's report. Approved reimbursements are settled within **15 working days** of receipt of a complete claim file. Incomplete files are returned to the member and the 15-day period restarts on resubmission.

6. Exclusions

The policy does not cover cosmetic or aesthetic procedures, treatment of self-inflicted injury, experimental therapies not approved by the Egyptian Drug Authority, or expenses arising from participation in professional sports. A full exclusions schedule is available in Appendix B.

For assistance, members may contact the 24-hour NileCare emergency hotline on **19240**.
